REPORT OF THE CHAMBER OF COMMERCE. TRADE MOVEMENTS IN THE COUNTRY—AN ERA OF PROSPERITY PROPRESIED.

Secretary George Wilson, of the Chamber of Commerce, yesterday completed the twenty-fifth annual report. The annual report of the Government, from hich alone reliable tabular presentations of the movement of commerce can be arranged, are made up for the fiscal year ending June 30 last, while the local trade reports are invariably for the alondar year. Whenever practicable, the tables are brought down to the end of December, either definitely or approximately. The report is both great and special in character; it contains tables published by the Federal Government of great value to merchants and bankers, those of this State concerning its moneyed corporations, and such issued by the city as are of general interest. The comparisons made have been continued in cath succeeding report for twenty years, and their value has been generally increased in consequence. The report is divided into two parts, the first presenting an analysis of the sessions of the Chamber, its roll of members, charter, by-laws, etc.; the second part is composed of special reports of the several trades and statistical tables of the transactions of each, tables of exports and imports, etc. Among other things, special attention is called to the coinage of silver, and the report says:

It would be difficult to find in the annals of financial lexisation a more peculiar medium the first present of the lasses of silver buillon by the United States Treasury, and its coinage by the mints in silver dollars of 412'2 grains standard weight at the rate of 2,000,000 months. On September 30, 1878, there were in the United States Treasury, and its coinage by the mints in silver dollars of 412'2 grains transaction of silver interest in the first presence of the coinage by the mints of the production of silver that is should accomplate in the coinage by the sampling of a coin which never has been, and never can be, in popular favor.

The continuation of the trade reports states that the consumption of sugar in 1882 was 943,000 tons, an increase of 4,500 tons o

AFFAIRS OF THE UNION SEMINARY.

AFFAIRS OF THE UNION SEMINARY.

The Union Theological Seminary has just received a gift of \$40,000 from a friend who does not wish his name published. The money has been paid with three months' accrued interest, and it will be used, with \$10,000 previously given for the same purpose, to establish a professorship of elocation and vocal culture. Charles Roberts, jr., the present instructor in this department, will be appointed to the new chair. A chair of Biblical theology, already provided for, is also to be established. While the seminary received \$200,000 from the will of the late ex-Governor Morgan, none of it can be used in the crection of the new buildings at Park-ave, and Seventieth-st., for the completion of which a small additional sum is needed. The roof of the dormitory is on, but not slated. The classes will remain in the present building at No. 9 University-place for another year, but it is expected that the anniversary exercises in May next will be held in the new building. The library, dormitory and chapel over five lots facing on Parkave, and extending between Sixty-minth and Seventieth-sts. Recently the trustees of this institution purchased two additional lots, one on each street, adjoining the original plat. On these lots dwelling houses will be erected corresponding in architectural design with the other buildings, so that they may be turned into wings of the dormi-

architectural design with the other buildings, so that they may be turned into wings of the dormitory if necessary.

The forty-seventh anniversary of the semmary will be held on Monday evening in the Madison Square Presbyterian Church. President Hitchcock will preside and present the dipiomas to the members of the graduating class, and an address will be delivered by the Rev. Dr. Arthur Mitcheli. The anniversary of the alumni association will be held on Tuesday, at 10 a. m., in the seminary chapel, and the annual dinner will be given at 3 p. m.

THE STOCK EXCHANGE PRESIDENCY.

THE STOCK EXCHANGE PRESIDENCY.

A meeting was held yesterday of the committee appointed on Monday to prepare an opposition ticket for officers and Governors of the Stock Exchange. A complete ticket was nominated, to be reported to another meeting of members tomorrow. The ticket is the same as the regular one, with the exception of the nominations for the president and several of the Governing Committee. The names were withheld, pending the acceptance of the nomination for the head of the ticket, by the gentleman to whom it has been offered. His answer is expected to-day. A member of the committee said last night that if he accepted, his position and popularity were so unquestioned as to assure his election. The interest in the opposition ticket is increasing among Stock Exchange members.

A NEGLIGENT POLICEMAN PENSIONED. A NEGLIGENT POLICEMAN PENSIONED.

A suit for damages arising out of the falling of an awing in front of No. 58 Chatham-st, two years ago was decided against the city recently. It was shown at the trial that the awing had been in a dangerous condition for a long time before it fell, but the fact had not been reported by Policeman Edward Hussey, the building being on his post. Hussey was arraigned before the Police Commissioners on a charge of neglect of duty. He admitted that he had failed to report the condition of the awing and said he did not think it was his duty to report such matters. Yesterday the Commissioners fined him thirty days pay and retired him on a pension of \$600 per annum.

WIRES TO BE PLACED UNDERGROUND. WIRES TO BE PLACED UNDERGROUND.

At the meeting of the Board yesterday, Alderman Kenney offered a resolution giving the Western Union Telegraph Company permission to lay its wires under the streets and avenues of the city on the payment of one cent per lineal foot of each street opened, and the giving to the city of two wires for the use of the Fire Department and Police Department. Alderman O'Connor moved that the matter should be referred to the Law Committee. This was opposed by Alderman Kirk. After considerable discussion, the resolution was adopted by a vote of 20 to 4, Aldermen O'Connor, Grant, Waite and Weils opposing it.

A similar course has been previously taken with good results.

MEETING OF THE HISTORICAL SOCIETY. ARETING OF THE HISTORICAL SOCIETY.

At the meeting of the New-York Historical Society
last night a paper was read by James W. Girard on
the formation of National character as applicable to
the "ancient city" of New-York. The elements
entering into that character were Dutch, English,
French and those of New-England. The Rev. Dr.
De Costa exhibited an ancient map which, he said,
showed the presence of Verrazzano, the Fiorentine
navigator, in this harbor.

With last Sunday the services of Henry Camp, as chor leader, and of the paid quartet, consisting of Miss Douglass, Miss Norman, and Messrs. Werrenrath and Chapin, in Plymouth Church, ceased. As the trustees have cut down the sum allowed for music from \$6,000 to \$3,000 the singing is to be led by the organist, Mr. Carter, and a volunteer choir. Mr. Camp will become the choir leader in the Hanson-place Methodist Episcopal Church. It has just been made known that Mr. Camp and Mr. Carter have not agreed well, and that for several months there have been constant disputes and bickerings between them. Many members of the choir will go with Mr. Camp to the Hanson-place church.

JERSEY CITY.

The City Board of Health has officially directed the attention of the Board of Public Works to the unclean condition of the steets, which, the Board states, "is extremely detrimental to public health, calculated to breed disease and if allowed to so concalculated to breed disease and if allowed to so continue until warm weather, will produce pestilence." The Health Board carnestly requested the Board of Public Works to have the streets thoroughly cleaned and all refuse and deleterious matter removed therefrom as speedily as possible. The Board of Public Works has authorized the Committee on Streets to employ all the help necessary to give the streets a thorough cleaning and remove the accumulations of ashes and garbage.

Patrick Lahey, the proprietor of a grocery store at Second and Brunswick sts., was found by Officer Pearson at a late hour on Monday night lying drunk in the street. When the prisoner was searched in the police station he had \$1,458 in his possession. Yesterday morning he divided the money with his wife, and Justice Stilsing discharged him.

The expected contest for the office of Police Justice has not yet begun, as the Governor has not made any appointment in the place of Justice Stising, whose term expired at midnight on Monday, but who has determined to hold over, the Legislature baving failed to appoint his successor.

BOTTOM FACTS.

NEW-YORK IS SUCH A BIG PLACE, SO MAN NEW PEOPLE ARE CONSTANTLY COMING AND GOING, AND THOSE WHO LIVE HERE ARE SO BUSY WITH THEIR OWN AFFAIRS, THAT WE HAVE TO KEEP REPEATING WHAT OUR OLD CUS-TOMERS KNOW TO BE TRUE, VIZ., THAT THE BASIS OF ALL OUR DEALING IS DOWNRIGHT HONESTY OF PURPOSE.

WHEN, IN 1874, WE ADDED A RETAIL DEPART. MENT TO OUR WHOLESALE BUSINESS, OUR AIM WAS TO REACH AS QUICKLY AS POSSIBLE THE FRONT RANK IN OUR LINE OF TRADE, AND TO STAY THERE. THE FOUNDATION OF OUR EN TERPRISE WAS FIRMLY LAID IN THE ONE PRICE AND LOW PRICE CASH SYSTEM. WHICH IS STILL RIGIDLY MAINTAINED. BUT WE DID NOT REST CONTENT WITH FOLLOWING IN THE BEATEN PATH OF THE FEW OTHER HOUSES WHO EVEN THEN MARKED PRICES IN PLAIN FIGURES AND STUCK TO THEM-WE WENT FURTHER AND ADOPTED A PLAN FOR THE PROTECTION OF CUSTOMERS SO UNIQUE THAT THERE'S NO LIKELIHOOD OF ITS IMITATION.

WE FOUND THAT OUR SALESMEN, LIKE THOSE OF OTHER HOUSES, WHEN ASKED BY A CUS TOMER, "IS THIS FABRIC IMPORTED! IS IT ALL WOOL! IS IT FAST COLOR!" WOULD ANSWER AC MOST PAVORABLE REPLY; A DISHONEST ONE WOULD LIE TO EFFECT THE SALE, CUSTOMERS WOULD OCCASIONALLY COMPLAIN ABOUT GOODS RECOMMENDED AS ALL WOOL WHICH WE KNEW WERE PART COTTON, AND INTENDED TO SELL AS TO REMEDY THIS UNIVERSAL FAULT OF ESTAB-

LISHMENTS WHERE THE PROPRIETORS CANNOT SERVE CUSTOMERS PERSONALLY WE ASCERTAIN BY ACID TESTS THE TRUE INWARDNESS OF EV. ERY FABRIC WE CUT UP INTO CLOTHING AND THEN WE LABEL EACH LOT OF GAR-MENTS WITH A PRECISE DESCRIPTION OF KIND AND QUALITY, THAT SALES-MEN AND CUSTOMERS ALIKE MAY NOT BE DECEIVED. TAKE A LOOK THROUGH OUR STOCK AND EXAMINE THE PASTEROARD CARDS DANG-LING FROM EVERY PILE. THEY READ CURIOUSLY WHEN YOU RECOLLECT HOW FEW DEAL-ERS EVER HAVE AUGHT BUT PRAISE FOR THEIR MERCHANDISE: FOR HERE ARE SOME WHICH SAY, NOT ALL WOOL," "COLOR NOTWARRANTED." &C. WHY ARE WE THUS PAINSTAKING! BECAUSE, IN THE FIRST PLACE, WE WANT TO DEAL FAIR LY BY EVERY ONE; NEXT, WE INTEND TO DE SERVE THE CONFIDENCE OF OUR CUSTOMERS AND LAST BUT NOT LEAST. WE GIVE WITH EVERY SALE A LEGAL GUARANTEE WARRANT. ING WHAT OUR EMPLOYES ARE AUTHORIZED TO SAY ABOUT OUR GOODS, AND AGREEING TO REFUND YOUR MONEY IF YOU COME BACK WITH OUR CLOTHING UNINJURED. IT'S WHAT WE CALL A "SQUARE-TOED" WAY OF DOING BUSINESS. WE'D LIKE TO HAVE EVERY READER OF THIS NOTICE TEST IT, AND IF HE LIVES AWAY FROM NEW YORK HE CAN DO SO BY WRITING FOR OUR SPRING BOOK, WHICH TELLS ALL THE NEWS ABOUT CLOTHING AND HOW TO ORDER IT.

At Overton, Tex.

In New-York City.

NO. 322 FRONT-ST., MARCH 8, 1883. "One of Herring's Safes was exposed to the fire, and it saved all its contents, which we think a remarkable proof of its fire resisting quality.

At Eufaula, Ala.

MARCH 1, 1883. "The safe passed through a severe fire, and pre-served its entire contents.
"IRVINE & BESSON,"

At Pensacola, Fla.

FEBRUARY 18, 1883, "I had one of Herring's Patent Safes in the fire. It preserved my books, papers, and money in per-fect order. CHAS. HOPE,"

At Rondout, N. Y. THE CORNELL STEAMBOAT CO.

FEBRUARY 11, 1883.

"Your safes were in our storehouses which burned yesterday. All our our records and papers

are preserved.
"S. D. COYKENDALL, Vice-P resident." In Jersey City.

FEBRUARY 3, 1883. "One of your Herring's Champion Safes conall of which were saved from the burning.

Thousands of Herring's Safes have been subjected to trial by fire, and preserved property of inestimable value. These fire Bronzes, Bisques, Pottery, Fancy tests have proved the Safes Goods, etc. No trouble to show trustworthy, and established their reputation for superiority.
